The Eller College of Management
Center for Leadership Ethics
Presents
The 2019 High School Ethics Forum

It is with great pleasure that the Center for Leadership Ethics announces the:

Tucson & Phoenix High School Ethics Forum

Location: UA Stadium Club

University of Arizona, Tucson, AZ

Friday, March 8, 2019

10:00am-2:00pm

The forum will provide high school students with a unique hands-on experience for dealing with personal and professional ethical dilemmas.

During the forums, students will be introduced to an ethical decision-making model and ethics cases developed by Dr. Paul Melendez. Advisory Board members of the Center for Leadership Ethics will facilitate discussions, collaboratively analyze, and share their ethical solutions for each ethics case.

The experience promises to challenge students' ethical reasoning, provide a wonderful networking opportunity, and in the end, raise students' awareness of the importance of corporate social responsibility.
